Company Details

Company Registration No.: AAF-5037

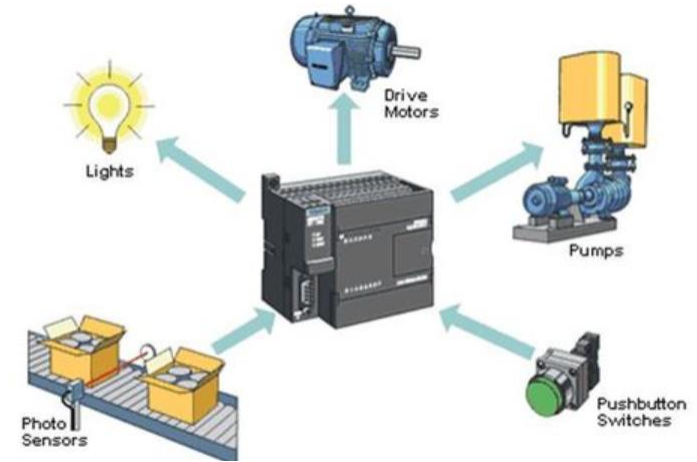

GST No.: 24AAPFB9238A1ZK

Field:

- **Industrial Automation/IOT Projects**
- **Instrument/MCC Panel & Equipment Diagnostic Services**
- **Instrument Projects Detailing, Engineering, Execution & Maintenance**
- **Cyber Security Audit & Consultancy Services**
- **Training and Consulting**
- **Industrial 5S Store**

Industrial Automation

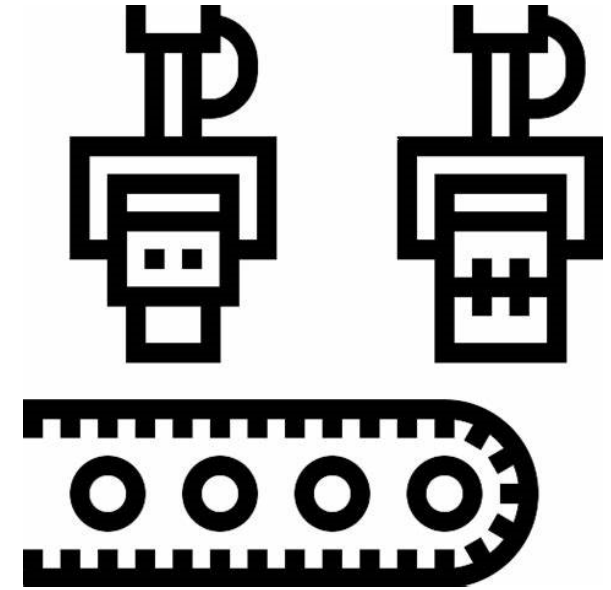

- We do **automation projects** from designing, engineering, preparation of drawings, fabrication of panels, testing, installation & commissioning.
- Automate Monotonous tasks which can save man hours, decrease failure, **improve productivity & reliability.**
- We take projects with **PLC, DCS, SCADA, VFD, HMI** etc.
- We deal in **Siemens, Rockwell, Omron, Delta, Mitsubishi, ABB, GIC, Selec, Schneider** etc.

Internet of Things

- Dashboard | Data Visualisation
- Remote Monitoring
- Diagnostic Reporting, Monitoring and Analytics
- Predictive & Prescriptive Analysis

Industry 4.0

Beneficial for taking timely decisions, schedule maintenance task, **minimise failures**, lost time, **improve reliability & availability of machines**. IOT can also be useful for checking bottlenecks and increasing production.

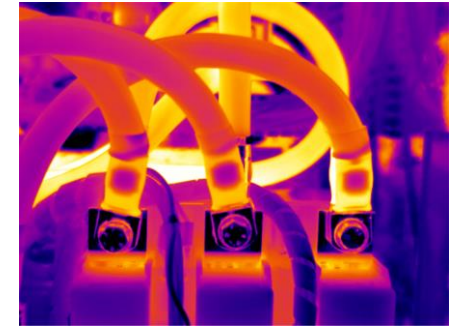

Instrument Projects Detailing, Engineering, Execution & Maintenance

- We provide support for **design and detailing of instrumentation.**
- Preparation of **instrument index, Jb index, Cable schedule, I/O channel allocation, Loop wiring, Datasheet preparation, IPDS preparation, Instrument selection** etc.
- We support in **developing maintenance strategy** for instrumentations.
- We support in **preventive, predictive & prescriptive** maintenance of instrument assets.

Predictive and Preventive Maintenance

- We provide support for **thermography** of motors, electrical panels, instrument panels, electronic circuits etc. for determining hotspots and provide recommendations.
- We provide services for **load testing of power supplies, MCB testing**, & other electronic components.
- We support in **preventive maintenance** activity for instrument and electrical panels which comprises of **power load checking, vacuum cleaning of panel, filter checking, Fan checking**, thermography etc. & provide report.
- We support in **Back up Management** for **PLC/DCS/HMI** programs.

Cyber Security Audit & Consultancy Services

- We provide service for **scanning of all nodes for compliance checking of end points wrt. NIST, IEC guidelines.**
- Holistic approach to suit business needs for **detect, defend, and disaster recovery.**
- We study the design and provide solution to **prevent virus attack**
- We provide control system **back up management service.**
- We design the complete system for enhanced cybersecurity.
- We provide **training and conduct campaigns for effective cyber security implementation.**

Training and Consulting

- Industrial training for **Automation** Viz. PLC, HMI, SCADA, VFD etc.
- Training in **Field Instrumentation**.
- Training on **Electrical Equipment's**.
- **Lean 5S** for industries, schools, colleges, Hospitals etc.
- Lean Tools viz. **Kaizen, Six Sigma, Lean Wastes** etc.
- Soft Skill training on **time management, Advance Excel** etc.

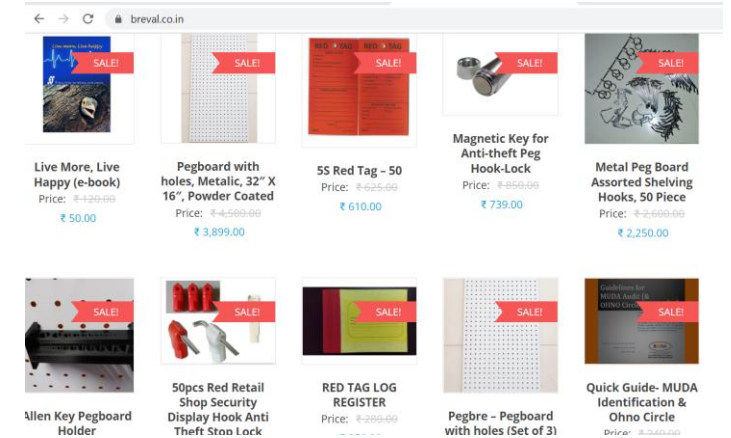

Co Work

- High Speed Internet
- Meeting room
- Lounge area
- Lockers
- Library
- Events

E commerce Portal

- Tool storage & visual Management
 - Pegboards and hooks
 - Storage Bins
 - 5S Floor Marking Tapes, Red Tags, Labels
 - Kaizen Suggestion Boxes
 - 5S Posters
 - Display Folders Wall Mount
 - Magnetic Display Folder
 - Tool Foam Board

Authorised Dealer for GFO Fire Extinguishing Ball/Drum

COMPARISON BETWEEN GFO & IMPORTED FIREBALL

FEATURES	GFO	IMPORTED FIREBALL
Extinguishing agent quality	Mono Ammonium Phosphate- MAP	Low class powder which does not has certificate details.
Shelf life or Warranty	5 Years	No warranty
Certification	Tested by NTH, OHSAS, ISO, CE, UDYAM,GMP,NSIC.	No certification from authorized lab
Manufacturing location	Made in India	Mostly from China
Distribution Network	Strong Distributor's and Dealer's network on pan India Level.	No Teamwork No Ethics
Backup team for customer support	Qualified team with sales And support over pan India Level with corporate office.	No Teamwork No Ethics
Environment support	Eco- Friendly powder, non-toxis, Harmless, Bio- Degradab	No environment support with Power properties.
